

September 2018
Price Changes Notification

Due to price increases from our current suppliers, Vernon/RTC will be increasing prices on the following vendors.

Below is an overview of price changes effective [September 1, 2018](#) unless otherwise stated.

Announced Vendor Price Changes

Vendor/ Brand	Effective Date	Increase	Comments
Placon	9/4/2018	8%	All Polypropylene (PP), and Polyethylene (PETE)

July 30, 2018

Dear Valued Customers:

Placon continues to work diligently to manage the costs associated with the manufacturing of our stock food product lines made from Polypropylene (PP) and Polyethylene Terephthalate (PETE). However, we continue to see resin, fuel, transportation and operating cost increases in the market with no measurable end in sight.

Based on these factors, we find it necessary to announce a price increase effective with orders placed **Tuesday, September 4, 2018**.

The product lines below will increase by the percentage shown on September 4, 2018:

- HomeFresh® product lines
 - Thermoformed deli containers and lids 8%
 - Injection molded containers and lids 8%
- All PETE/RPET/APET products 8%

POD Agreement prices will also increase effective September 4, 2018 regardless of stated effective dates. All contract prices will be adjusted in accordance with their stated contract dates. "BUY-INS" will not be accepted.

Thank you for your continued patronage of Placon products. We sincerely appreciate your business and we are dedicated to providing the highest level of customer service to your account in these difficult economic times.

Sincerely,

Jeffery S. Lucash
Vice President, Sales

To receive item-specific pricing for your account, please contact your Vernon/RTC sales representative or customer service.

On behalf of Vernon/RTC we thank you for your continued support.
